## PROFILE

Detail-oriented multimedia editor with extensive experience in editing photos and videos for a wide range of outputs, including publication materials, audio-visual presentations (AVPs), animations, short films, documentaries, logos, and software application designs. Proficient in producing high-quality visual content tailored for digital platforms. Utilizes creative skills as an effective tool for clear and purposeful storytelling through visual media.

## EXPERIENCE

### VIDEO EDITOR

Vector Tech Capital LLC & PRESAS PRODUCTION |  
2024 - 2025

Edited 2D animated frames and compiled them into cohesive video sequences, ensuring smooth transitions and consistent visual flow throughout the final output.

Worked as the main editor for a commissioned documentary under Presas Production, handling the full editing process from raw footage to final output.

### IT MARKETING COMPETITION

PROJECT MANAGER & UI/UX DESIGNER | 2023 - 2024

Led UI/UX design of a software application using Figma for an IT Marketing pitch at IRCITE, focusing on user-centered design.

Managed the team as project manager, resulting in a 1st Runner-Up win in the competition.

### LA VERDAD CHRISTIAN COLLEGE OFFICE

Graphic Designer | 2023 - 2024

Designed and created AVPs, posters, signage, publication materials, and office logos for various departments within the school.
